Welcome to the City of East Ridge in Tennessee. We are a city of approximately 21,000 people located south of Chattanooga, our sister city off of Interstate 75 and north of Georgia. East Ridge has been designated by the State of Tennessee as a Main Street USA Community.

City Hall is located on Tombras Avenue, just a few blocks from either Moore Road or Belvoir Avenue. It houses several departments including Administration, Business Licenses, Building Codes/Inspection, Court and the Library.

The City has many things to offer travelers as well as people who may want to locate here. Please check out our site for information on our local schools, hospital, recreational facilities, churches, civic clubs, events and so much more. We welcome you to the "Gateway to Tennessee."
